A Bit of Experience.

I have met with a good many people
In joggins o' life's varied way;
I've encountered the clever, the simple,
The crabbed, the grave and the gay;
I have traveled with beauty, with virtue,
I have been with the ugly, the bad;
I have laughed with the ones who were merry
And wept with the ones who were sad.
One thing I have learned in my journey—
N'er to judge one by what he appears.
The eyes that seem sparkling with laughter
Oftt battle to keep back the tears,
And long sentimental faces
Hid often the souls that are vile.
While the heart that is merry and cheerful
Is often the freest from guile.
And, too, I have learned that most friendships
We make are as brittle as glass.
Just let a reverse overtake us—
Our "friends" on the "other side" pass,
But ah! I have found some few loyal—
Some hearts ever loving and true!
And the joy and peace they have brought
Have cheered me my whole journey through.

On the 17th of the present month the undersigned will issue in this city the first number of a new Democratic daily journal, to appear every morning, and to be entitled

THE NASHVILLE UNION.

The editorial and business staff of THE UNION will be composed of trained journalists who have been connected with the American for many years, and who have withdrawn from that paper on account of its passing into the hands of the parties who now own and control the Nashville World. The same principles they will continue to advocate in THE UNION. The purpose of the publishers of THE UNION will be to make it:

A Live, Progressive Exponent of Democratic Sentiment.
Opposed to Machine Politics and the Rule of Political Bosses.
Devoted to the Building-up and Industrial Prosperity of the New South.
Earliest in the Advocacy of Tennessee's Commercial, Agricultural, Manufacturing and Mineral Development.
Keeping Fully Abreast of the Times on All the Leading Questions of the Day.
Above Everything, it Will Be a Good Newspaper, Complete in all the Departments of Telegraphic, General, Local and Market Intelligence.
